Introduction to Personology – Its applications.

Why not have a **FREE** 45 minute presentation and demonstration for your business or school.

What you will learn:

- How personology got started.
- Where it was used with great success.
- How to use this tool and apply the information successfully.
- Why we need this information.
- Demonstrations to prove the accuracy of the tool of reading people.
- How this information will benefit your business or school.
- Some of our services.

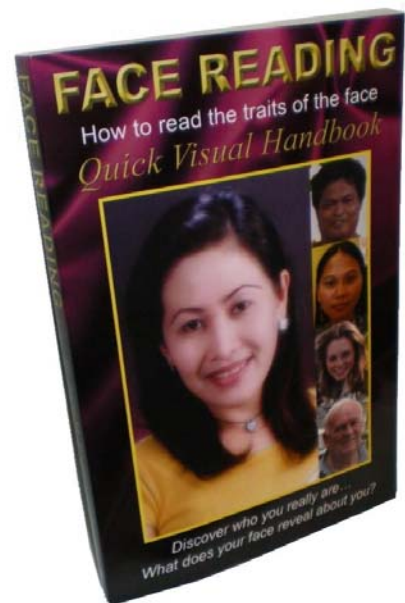

Richard M Phelan
Personologist

Presentations

Free presentations are given within reasonable distance of the Berkshire area but any distance will be considered if traveling expenses are given.

A small group of at least 10 separate individuals is required to use this service. (for example not a family of 4 and 6 and couple of friends!)

Schools and business will find the information practical and those in attendance can be informed that they will be able to purchase this book and amazing tool for £12.99 if they so wish.
